Patricia Way, Newsletter Editor/Designer

Each year the Brookland-Cayce High School Foundation publishes a newsletter to keep members informed of the foundation's accomplishments. Since its inception in 1997, the foundation has presented scholarships to 81 students, totaling \$38,000, and teacher grants, totaling \$35,000.

The board members are very dedicated, hard-working individuals whose main focus is financial assistance for Brookland-Cayce High School students and teachers.

The foundation members work hard all year on fund-raising events, including the annual membership meeting and the golf tournament, to raise monies annually for student scholarships and teacher grants. We need the support of the parents, teachers, students, businesses, civic organizations, and the community to make these efforts successful.

We invite each of you to attend the annual membership meeting/dinner on October 4, 2001, 6 p.m., at Brookland-Cayce High School cafeteria, 1300 State Street, Cayce, South Carolina.

We also encourage you to enlist new members as the foundation continues to grow.

Thanks for your support,

Vicki

Vicki Ido

Executive Director

Brookland-Cayce High School Foundation Mission Statement

The **Brookland-Cayce High School Foundation (BCHS Foundation)** was established in 1997 as a non-profit, tax exempt organization to raise funds and promote educational programs for Brookland-Cayce High School through donations of goods, services and money from corporations, business groups, foundations, and individuals.

The **BCHS Foundation** is governed by a volunteer board of directors, composed of educational, corporate, civic, alumni, and parent leaders. The board's responsibilities are to coordinate the collection of donor funds from multiple sources, to insure the safekeeping and accurate accounting for these funds, and to approve the fair and proper disbursement of the funds.

Further, the mission of the **BCHS Foundation** shall be to continue to build on Brookland-Cayce High School's rich heritage of academic excellence. This community-based effort will provide supplemental funding for educational programs, equipment, and/or projects which may be otherwise unbudgeted.
