TWO MORE SCHOLARSHIPS ADDED

Two more scholarships were endowed this year to the **BCHS Foundation**.

Mr. and Mrs. Jack Derrenbacher presented the Foundation with a gift to establish an ongoing scholarship named for Harriet Kaigler Derrenbacher and Julia Derrenbacher Jamison, Mr. Derrenbacher's mother and sister. Both teachers contributed to the community by serving the students of Lexington District Two schools for many years. This scholarship is presented to a student pursuing an undergraduate degree in education.

The family of Mr. Lloyd E. Kirkland, Sr., has established a designated fund for a scholarship in his memory. Contributions from family and friends provided the Lloyd E. Kirkland, Sr. Memorial Scholarship to a BCHS graduate this past spring.

GIFTS & CLASS REUNIONS

Gifts given in memory of or in honor of family members and friends make a lasting contribution. The **B-C High School Foundation** has a procedure in place for designating donations in individuals' names so that scholarships can be awarded to BCHS students each year. This makes an ongoing tribute to your loved one.

Also, Class Reunions can present a contribution to the BCHS Foundation by asking alumni for donations during the event. These donations can be added to each year by the reunion committee or by individual classmates. When your Class Reunion comes around, remember the students at BCHS with a gift to the Foundation Scholarship program.

Brookland-Cayce High School Foundation Mission Statement

The **Brookland-Cayce High School Foundation (BCHS Foundation)** was established in 1997 as a non-profit, tax exempt organization to raise funds and promote educational programs for Brookland-Cayce High School through donations of goods, services and money from corporations, business groups, foundations, and individuals.

The **BCHS Foundation** is governed by a volunteer board of directors, composed of educational, corporate, civic, alumni, and parent leaders. The board's responsibilities are to coordinate the collection of donor funds from multiple sources, to insure the safekeeping and accurate accounting for these funds, and to approve the fair and proper disbursement of the funds.

Further, the mission of the **BCHS Foundation** shall be to continue to build on Brookland-Cayce High School's rich heritage of academic excellence. This community-based effort will provide supplemental funding for educational programs, equipment, and/or projects which may be otherwise unbudgeted.
